(C) When any ordinance repealing a former ordinance, clause or provision shall be itself repealed, the repeal shall not be construed to revive the former ordinance, clause or provision, unless it is expressly provided.

§ 10.17 ORDINANCES WHICH AMEND CODE; EFFECT OF NEW ORDINANCES.

(A) All ordinances passed subsequent to this code which amend, repeal or in any way affect this code may be numbered in accordance with the numbering system hereof and printed for inclusion herein. When subsequent ordinances repeal any chapter, section or subsection, or any portion thereof, such repealed portions may be excluded from this code by omission from reprinted pages. The subsequent ordinances as numbered and printed, or omitted in the case of repeal, shall be prima facie evidence that the subsequent ordinances numbered or omitted are readopted as a new code by the town.

(B) Amendments to any of the provisions of the code shall be made by amending such provisions by specific reference to the section number of this code in language substantially similar to the following: "Section _____ of the Code of Ordinances, Town of Cape Carteret, North Carolina, is hereby amended as follows...." The new provisions shall then be set out in full as desired.

(C) If a new section not heretofore existing in the code is to be added, language substantially similar to the following shall be used: "The Code of Ordinances, Town of Cape Carteret, North Carolina, is hereby amended by adding a section, to be numbered _____, which section shall read as follows:...." The new section shall then be set out in full as desired.

(D) All sections, articles, chapters or provisions desired to be repealed must be specifically repealed by section, article or chapter number, as the case may be.

§ 10.18 SUPPLEMENTATION OF CODE.

(A) By contract or by town personnel, supplements to this code shall be prepared on an annual basis. A supplement to the code shall include all substantive, permanent and general parts of ordinances passed by the Board of Commissioners during the period covered by the supplement and all changes made thereby in the code. The pages of a supplement shall be so numbered that they will fit properly into the code and will, where necessary, replace pages which have become obsolete or partially obsolete, and the new pages shall be so prepared that, when they have been inserted, the code will be current through the date of the adoption of the latest ordinance included in the supplement.

(B) In preparing a supplement to this code, all portions of the code which have been repealed shall be excluded from the code by the omission thereof from reprinted pages.

(C) When preparing a supplement to this code, the codifier (meaning the person, agency or organization authorized to prepare the supplement) may make formal, nonsubstantive changes in ordinances and parts of ordinances included in the supplement, insofar as it is necessary to do so to embody them into a unified code. For example, the codifier may:

- (1) Organize the ordinance material into appropriate subdivisions;
- (2) Provide appropriate headings and titles for sections and other subdivisions of the Code printed in the supplement, and make changes in such headings and titles;
- (3) Assign appropriate numbers to sections and other subdivisions to be inserted in the code and, where necessary to accommodate new material, change existing section or other subdivision numbers;
- (4) Change the words “this ordinance” or words of the same meaning to “this chapter,” “this article,” “this division,” and the like, as the case may be, or to “sections _____ to _____” (inserting section numbers to indicate the sections of the code which embody the substantive sections of the ordinance incorporated into the code); and
- (5) Make other non-substantive changes necessary to preserve the original meanings of ordinance sections inserted into the code; but in no case shall the codifier make any change in the meaning or effect of ordinance material included in the supplement or already embodied in the code.
(1997 Code § 1-8)

§ 10.19 SECTION HISTORIES; SECTION HEADINGS; STATUTORY REFERENCES.

(A) As histories for the code sections, the specific number and passage date of the original ordinance and the most recent three amending ordinances, if any, are listed following the text of the code section. *Example:* (Ord. 10, passed 5-13-1960; Am. Ord. 15, passed 1-1-1970; Am. Ord. 20, passed 1-1-1980; Am. Ord. 25, passed 1-1-1985)

(B) (1) A statutory cite included in the history indicates that the text of the section reads substantially the same as the statute. *Example:* (G.S. § 160A-11) (Ord. 10, passed 1-17-1980; Am. Ord. 20, passed 1-1-1985)

(2) A statutory cite set forth as a “statutory reference” following the text of the section indicates that the reader should refer to that statute for further information. *Example:*

§ 39.01 PUBLIC RECORDS AVAILABLE.

This municipality shall make available to any person for inspection or copying all public records, unless otherwise exempted by state law.

Statutory reference:

Inspection of public records, see G.S. §§ 132-1 et seq.

(C) If a section of this code is derived from the 1997 code of ordinances of the town, the prior code section number shall be indicated in the history by "(1997 Code, § ____)." The history notes following sections and the references scattered throughout the code are not part of the code, but are merely for the benefit for the user of the code.

§ 10.99 GENERAL PENALTY.

(A) Unless otherwise specifically provided, violation of any provision of this code or any other town ordinance shall subject the offender to the remedies hereinafter provided; except that where the General Statutes of North Carolina provide specific civil remedies for violations of provisions of this code adopted pursuant to such statutes, such remedies available to the town for enforcement of this code shall be in addition to the remedies hereinafter stated; provided, that no criminal penalties shall be applicable unless hereinafter stated in this section as being applicable to specific chapters or provisions of this code.

(B) Violations of any of the provisions of this code shall subject the offender to a civil penalty upon the issuance of a citation for such violation as hereinafter provided. The civil penalty, if not paid to the Town Treasurer within 15 days of the issuance of a citation, may be recovered by the town in a civil action in the nature of debt. Unless otherwise provided by a specific provision of this code, such civil penalties shall be in the amount of \$25 for each violation, and each day any single violation continues shall be a separate violation; except, that for violations of parking ordinances of this code, the civil penalty provisions and procedures therein shall apply.

(C) In addition to any civil penalties set out in this section, any provision of this code or any other town ordinance may be enforced by an appropriate equitable remedy issuing from a court of competent jurisdiction. In such case, the general court of justice shall have jurisdiction to issue such orders as may be appropriate, and it shall not be a defense to the application of the town for equitable relief that there is an adequate remedy at law.

(D) In addition to any civil penalties set out in this section, any provision of this code or any other town ordinance that makes unlawful a condition existing upon or use made of real property may be enforced by injunction and order of abatement, and the general court of justice shall have jurisdiction to issue such orders. When a violation of such a provision occurs, the town may apply to the appropriate division of the general court of justice for a mandatory or prohibitory injunction and order of abatement commanding the defendant to correct the unlawful condition upon or cease the unlawful use of the property. The action shall be governed in all respects by the laws and rules governing civil proceedings, including the Rules of Civil Procedure in general and Rule 65 in particular.

(E) (1) In addition to an injunction, the court may enter an order of abatement as a part of the judgment in the cause. An order of abatement may direct that:

- (a) Buildings or other structures on the property be closed, demolished or removed;
- (b) Fixtures, furniture or other movable property be removed from buildings on the property;
- (c) Grass and weeds be cut;
- (d) Improvements or repairs be made; or

(e) Any other action be taken that is necessary to bring the property into compliance with this code or such ordinance.

(2) If the defendant fails or refuses to comply with an injunction or with an order of abatement within the time allowed by the court, he or she may be cited for contempt, and the town may execute the order of abatement. The town shall have a lien on the property for the cost of executing an order of abatement in the nature of a mechanic's and materialman's lien. The defendant may secure cancellation of an order of abatement by paying all costs of the proceedings and posting a bond for compliance with the order. The bond shall be given with sureties approved by the Clerk of Superior Court in an amount approved by the judge before whom the matter is heard and shall be conditioned on the defendant's full compliance with the terms of the order of abatement within a time fixed by the judge. Cancellation of an order of abatement shall not suspend or cancel an injunction issued in conjunction therewith.

(F) The provisions of this code and any other town ordinances may be enforced by 1, all or a combination of the remedies authorized and prescribed by this section; except, that any provision the violation of which incurs a civil penalty shall not be enforced by criminal penalties.

(G) Except as otherwise specifically provided, each day's continuing violation of any provision of this code or any other town ordinance shall be a separate and distinct offense.

(H) Any ordinances hereafter adopted by the Board of Commissioners of the town, the violation of which shall incur a penalty, shall specify whether the enforcement shall be pursuant to the civil penalty provisions of this section.

(I) Upon determination of a violation of any section of this code, the penalty for which is a civil penalty, the town shall cause a warning citation to be issued to the violator, setting out the nature of the violation, the section violated, the date of the violation and an order to immediately cease the violation or, if the violation is in the nature of an infraction for which an order of abatement would be appropriate in a civil proceeding, stating a reasonable period of time in which the violation must be abated. The warning citation shall specify that a second citation shall incur a civil penalty.

Cape Carteret - General Provisions

(J) Upon failure of the violator to obey the warning citation, a civil citation shall be issued by the appropriate official of the town and either served directly on the violator or his or her duly designated agent, or registered agent if a corporation, in person or posted in the United States mail service by first class mail addressed to the last known address of the violator as contained in the records of the town, or obtained from the violator at the time of issuance of the warning citation. The violator shall be deemed to have been served upon the mailing of such citation. The citation shall direct the violator to appear before the Town Treasurer, located in the town hall, within 15 days of the date of the citation or alternatively to pay the citation by mail. The violation for which the citation is issued must have been corrected by the time the citation is paid; otherwise, further citations shall be issued. Citations may be issued for each day the offense continues until the prohibited activity is ceased or abated.

(K) If the violator fails to respond to a citation within 15 days of its issuance and pay the penalty prescribed therein, the town may institute a civil action in the nature of debt in the appropriate division of the North Carolina General Court of Justice for the collection of the penalty.
