

Cape Carteret Roadside Tree Beautification Project

The Cape Carteret Garden Club and the Town of Cape Carteret are working together to make our town a more beautiful place to reside. Now that our road and curbing construction has been completed along “FREEDOM WAY” (Highway 24) our dream is for beautification of a one mile stretch on both sides of the roadway with memorial trees planted at approximately 50 ft. intervals.

This is an excellent way to honor a friend or a family member or in remembrance of those who have passed on. Trees planted along “FREEDOM WAY” will serve as a living memorial to the people who died, and will honor those who protect and defend our country.

The trees will be RED, WHITE, and LAVENDER CREPE MYRTLES. The trees will be purchased from, and planted by, reputable, local, landscape companies.

The Donation per tree will be \$50.00. We hope to line our roadway with at least 200 trees. If you have any questions please call Bev Stone (252-393-3077), or contact Karen or Jennifer at Town Hall (252-393-8483).

Thanks,
Bev Stone, Town Tree Project, Chairperson Cape Carteret Garden Club
